High fidelity with clear voice

AQUOS®

The LC-60LE550U TV delivers legendary AQUOS picture quality at an attainable price. It features the AQUOS 1080p LED Display with advanced pixel structure for the most breathtaking HD images and a 4 million: 1 dynamic contrast ratio. This AQUOS delivers a 120Hz refresh rate for precision clarity during fast-motion scenes, and, at 60 inches, it provides 20% more screen area than a 55" TV. That stunning screen is housed in a beautiful slim frame that lets you fit more screen in less space, so you can have a large screen experience in any room.

AQUOS® 1080p LED DISPLAY

Using photo-alignment technology that's precision crafted to let more light through in bright scenes and shut more light out in dark scenes, the AQUOS 1080p LED Display with a 4 million: 1 contrast ratio creates a picture so real you can see the difference.

120 Hz

See sharper, more electrifying action with the most advanced panel refresh rates available today. The 120Hz technology delivers crystal-clear images even during fast-motion scenes.

20W AUDIO

The powerful 20W audio features high fidelity with clear voice, so all of your scenes sound great.

LC-60LE550U

60" Class 1080p LED TV

MODEL FEATURES

PICTURE QUALITY

AQUOS® UV2A DISPLAY

The advanced AQUOS® UV2A Display* uses a unique, precision pixel structure to deliver dynamic HD images. With technology that's created to let more light through in bright scenes and fight light leakage in dark scenes, the AQUOS UV2A Display with a 4 million: 1 contrast ratio creates pulse-racing picture every time.

120HZ REFRESH RATE

See sharper, electrifying action, with the most advanced panel refresh rates available today. 120Hz technology delivers crystal-clear images even during fast-motion scenes.

AUTO BRIGHTNESS CONTROL

Automatically adjusts picture brightness to the light in the room. This cuts power consumption, while giving you a more beautiful—and comfortable—picture to watch.

DESIGN

SLIM DESIGN

Fit more screen in less space. The brilliant AQUOS® LED display is embraced by a striking new frame that's thinner around the screen and slimmer in depth, so it can fit just about anywhere.

SOUND

20W AUDIO

Big sound to complete your big-screen experience. The powerful 20W audio features high fidelity with Clear Voice, so all of your scenes sound great.
